A. PERSONAL DEVELOPMENT

I was always looking outside myself for strength and confidence, but it comes from within. It is there all the time. I am convinced that life is 10% what happens to me and 90% of how I react to it. I am not a product of my circumstances. I am a product of my decisions.

B. AREAS OF SPECIALIZATION

B.1 Information Technology and Information Systems

1. Network Engineering
2. Voice Over Internet Protocol Engineering
3. System Security
4. Database Management
5. Web Design
